THE ENCOURAGEMENT OF BEGINNERS

Among the resolutions which the Central Council is to discuss at the next meeting is one urging ringers to do all in their power to encourage their less proficient brethren. It is a subject upon which there can hardly be two opinions. Unless the less proficient ringers are encouraged, the art of ringing will ultimately become extinct, or, at any rate, the standard of its practice will sadly deteriorate. To maintain efficiency the constantly recurring gaps in the ranks must be filled and the beginners encouraged to improve by every possible means. The difficulties seem to arise in devising and applying the means, and we hope the discussion in the Council will reveal the best way, not only of giving effect to the motion itself, but of enabling ringers to give the encouragement so greatly needed.

Where there is a genuine intention of building up a band beginners get every encouragement, but it is also true that in cases where the ringers themselves are half-hearted—and there are plenty of these about—a good many recruits are lost to the Exercise. To maintain the interest of the beginner there must always be the incentive of progress, and, while it is a mistake to let the learner run before he can walk—to let him ring changes before he can ring rounds properly—he certainly needs the encouragement and opportunity to practise and advance. The discussion will do good if it will show not only the best methods of encouraging the beginner, but how ringers of the half-hearted type are to be induced to offer this encouragement.

When we referred last week to the three motions which have been placed on the Council's agenda we spoke of them as all relating to peal ringing, but we are informed by the proposer of this motion urging the encouragement of beginners that this is not correct. We are rather at a loss to understand why his proposal has nothing to do with peal ringing, when it begins by expressing concern at the comparatively small number of ringers ringing their first peal. On the face of it the motion appears to ask for the encouragement of beginners in peal ringing, but we are prepared to take the word of the proposer that this is not what is intended. Peal ringing, however, may be one form of encouragement, although not every beginner has ambitions in this direction, and even proffered help is rejected. That, at any rate, has been the recent experience of one district secretary. But whether the motion relates to peal ringing or not, the Central Council is likely, we imagine, to pass the motion without an opposition. It will be worthless, however, unless the discussion produces some practical suggestions. A mere pious expression of opinion will

get us nowhere. What keen ringers will want to know is whether there are any ways still unexplored by which beginners may be encouraged; what keen beginners will be glad to learn is the means by which the half-hearted exponents of the art can be encouraged to help them on to higher things. If this is forthcoming, the debate will be of service, but its value will depend upon how far it can have a practical application.

STRETTFORD RINGER'S DIAMOND WEDDING.

CELEBRATED BY THREE PEALS IN A DAY.

Mr. and Mrs. J. J. Moss, of Stretford, Manchester, celebrated their diamond wedding on Palm Sunday, having been married at Manchester Cathedral in 1874. Mr. Moss, who is 83, is still remarkably active. He was a member of the Loyal Brookes Lodge of the Manchester Unity of Oddfellows, and has held every office in the branch, including that of secretary, an appointment which he held for 50 years. He was also a ringer at Stretford Parish Church for over half a century, and has now left the captaincy of the band to his son, Mr. Wilfred J. Moss.

To celebrate the diamond wedding a band met at Flixton on Easter Monday morning and, on the old Rudhall ring, completed a peal of Cambridge Major, commencing at 10.30. Then after lunch at the Church Inn, where Mr. D. Vincent was host, they went on to Stretford. Here Mr. W. J. Moss joined in (he was himself celebrating his 30th wedding anniversary), and David, who had slain the giant, was allowed to rest. Here again success was met with in a peal which commenced at 2.25. The spare man had tea ordered when ringing ceased, and, this disposed of, the ringers journeyed on to Eccles, but the 'Tyke' could not be persuaded to stand in as his last train left at 9 p.m., and offers of digs would not tempt him. (It was rumoured 'Kate' was at Low Moor.) However, Mr. W. J. Moss kindly took the vacant rope, and a splendid peal was rung, commencing at 6.45—the third in one day!

ANOTHER DIAMOND WEDDING.

On Monday, April 9th, at the Church of St. James-the-Great, Shirley, Warwickshire, a quarter-peal of Doubles (1,260 changes, being 120 Stedman and 1,140 Grandsire, with nine different callings) was rung to commemorate the diamond wedding of Mr. and Mrs. C. J. Perry, who were headmaster and headmistress of the village school for 44 years. Mr. Perry was also choirmaster and organist for nearly 40 years. The ringers were: Edgar C. Shepherd (conductor) 1, Kathleen Morris 2, John Jukes 3, Paul Newell 4, Arthur Morris 5, Charles Harrison 6.

RINGERS' WEDDING AT HIGH WYCOMBE.

BOREHAM—KENDALL.

The ever-growing total of happy marriages at High Wycombe has now added another ringers' wedding to its long list. This time, however, it was a pair of ringers, when Frank Donald Boreham and Norah Mary Winifred Kendall were united for better and better. Dressed in white satin, and carrying a bouquet of white carnations, arum lilies, and heather, the bride was so punctual that she was nearly early, and some of those who expected the usual late arrival missed the opening words of the ceremony, which was conducted by the Vicar, Rev. W. L. P. Float, assisted by Rev. G. E. Wigg, Deputy Master of the Oxford Diocesan Guild, of which the bridegroom is an active member. His 'best man' was Mr. A. D. Barker, who is not exactly unknown in these parts. The bridesmaids were Miss Joan Boreham (sister) dressed in yellow crepe-de-chine, and the Misses Joan and Hazel Neale (cousins of the bride), dressed in green taffeta. All three carried bouquets of daffodils.

Ringers from various parts were present in church, amongst whom were noticed Mr. and Mrs. R. F. Deal, Mr. and Mrs. J. S. Hawkins, Mr. T. J. Fowler (Branch Ringing Master), Mrs. A. D. Barker and Mr. W. E. Redrup.

A peal of Stedman Cinques was rung to commemorate the occasion, and has already been recorded in these columns.

After the ceremony the photographer had to have his time allowance, and then a large party of friends and relations adjourned to a nearby hall for refreshments. The bride and bridegroom's health was 'eaten with cake,' and no speeches (by the bride's orders).

When the tables were cleared an excellent course of Grandsire Triples was rung on handbells, followed by one of Stedman. Then a few tunes, followed by dancing. Piano, gramophone and wireless all served their turn, until the happy couple departed, everyone wishing them 'the best of luck.'

WEDDING AT CHRISTCHURCH.

At Christchurch Priory Church, on Saturday, the wedding took place of Mr. K. Derham (a member of the local company of ringers) and Miss E. M. Andrews (niece of the District Ringing Master).

The bride, who wore a blue costume, was given away by her uncle (Mr. George Preston) who, after the ceremony, conducted the quarter-peal. The best man was Mr. G. Spragg, a fellow-ringer. About 100 guests, including the ringers, were entertained by the bride and bridegroom at their new residence, the Avon Beach Cafe, at Mundford. The numerous presents were much admired, and the happy couple were 'toasted' in various beverages.

The honeymoon is being spent at Teignmouth, Devon. Before the wedding 395 Grandsire Caters was rung: F. Stonestreet 1, Miss C. Sparshott 2, Miss M. Hodges 3, E. V. Hinton 4, R. O. Street (conductor) 5, S. White 6, F. E. Pitman 7, F. Sparshott 8, W. Fowler 9, J. Wakem 10. After the ceremony 1,320 Grandsire Cinques was rung: *F. Stonestreet 1, R. O. Street 2, *Miss M. Hodges 3, E. V. Hinton 4, *A. V. Davis 5, S. White 6, F. E. Pitman 7, *A. F. M. Stewart 8, *E. T. Griffin 9, F. Sparshott 10, G. Preston (conductor) 11, W. Fowler 12. * First quarter-peal.

SHROPSHIRE ASSOCIATION.**PROPOSED GIFT TO THE LATE HON. SECRETARY.**

The bi-monthly meeting of the Shropshire Association was held on April 14th at Wem. Before the meeting the bells of the Parish Church, which were recently renovated and rehung, were rung to various touches. The Rector, the Rev. P. R. Turner, conducted a short service, and 37 members of the association subsequently took tea in the Church Hall. Mr. Turner was thanked for his interest and help, and for the tea which he kindly provided. Thanks were also extended to the ladies who had served tea, to the organist, Mr. Norman Chamberlain, and to the choir.

At the business meeting which followed, Mr. E. Barnett presided, and said that he was pleased to be able to inform the company that the whole of the money for the restoration of the bells had been raised.

It was decided to send a cheque to the late hon. secretary, the Rev. F. Tennison, in recognition of his valuable services, the association to augment the amount subscribed to bring it up to £20.

Recent meetings of the associations have been well attended, and in order to further encourage beginners the society decided to pay half tea expenses when necessary.

Mr. S. Roper, of Messrs. Gillett and Johnston, was present, and took part in the ringing, which embraced standard eight-bell methods, with Minor and Doubles, and rounds for the learners.

The next meeting is to be held at Pontesbury.

WORCESTERSHIRE RINGER'S TRAGIC DEATH.

We regret to announce the death, under tragic circumstances, of Mr. Ernest Gibbs, of Hanley Castle, Worcestershire, on March 29th, at the age of 57 years, through injuries sustained from a fall from a tree the previous day.

Deceased was a well-known member of the Worcestershire Association, and it was mainly through his influence that the bells of St. Mary's, Hanley Castle, were restored and rehung in 1925. His peals, which numbered well over 100, were rung chiefly on six and eight bells.

The funeral took place on Tuesday, April 3rd, at St. Gabriel's, Hanley Castle, and was attended by a large number of mourners. The Worcestershire Association was represented by Messrs. J. R. Newman (general hon. secretary), C. Camm (Branch Master), T. Hawkes (branch secretary), R. G. Knowles, W. Ranford, E. E. Barber, S. T. Holt, J. Rowlett, F. Lawrence, H. Bishop and E. Maund. A course of Grandsire Triples was rung over the grave by F. Hawkes, S. T. Holt, R. G. Knowles and C. Camm, and later a half-muffled peal was rung on the tower bells.

MOULTON'S NEW BELLS.**TO BE DEDICATED TO MISSIONS PIONEER.**

A year ago Dr. S. Madge, F.S.A., of London, promised Moulton Church a treble bell if the Vicar (Rev. J. M. Turner) would also give one. The Vicar promptly accepted the offer, ordered the bells to be made, drew the cost of one from Dr. Madge, started a subscription list, and after less than twelve months' effort has obtained all the money for the other bell. The bells are now to be seen near the belfry waiting to be hung. They are both dedicated to Dr. Wm. Carey, the pioneer of modern English missions, who thought out his schemes while working as a cobbler in Moulton.

As Wm. Carey died June 9th, 1834, they will be dedicated on that date at 3 p.m., which falls this year on Saturday. It is to be hoped that all the district ringers will rally at Moulton on that date and have a pull on the eight. The two new bells are by Taylor and Co., of Loughborough.

CLEVELAND AND NORTH YORKSHIRE ASSOCIATION.**HOLIDAY MEETING AT MIDDLEHAM.**

A very happy meeting was held at Middleham on Easter Monday. Middleham is noted for more things than bellringing. The Richard the Third memorial window, which is being inserted in the church, is to be unveiled to-day. The people of the district claim that Richard III. lived in Middleham, and was the founder of the present church. Another point of interest is that the Middleham people claim that their beautiful castle was demolished by Guy Fawkes.

Ringers attended the meeting from Middlesbrough, Darlington (St. John's), Holy Trinity, Ladcaster, Leeds, Thirsk, Ormsby, Croydon, and the local company.

Dinner was provided at the Commercial Hotel, and was presided over by the president, Mr. J. Stott (Thirsk), supported by Mr. J. C. Pollard and the secretary (Mr. T. Metcalfe).

This meeting is regarded as a holiday outing, and therefore no business is transacted. The president, however, offered a most hearty welcome to Mr. and Mrs. C. F. Johnston, of Croydon, and Mr. and Mrs. Percy Johnson, of Leeds, for their attendance.

Mr. Johnston and Mr. P. J. Johnson acknowledged the welcome. Mr. J. C. Pollard proposed that the best thanks of the association be accorded to the Rector and churchwardens for the use of the bells, and hoped that Mr. H. Parrish (captain of the local ringers) would convey that appreciation to the headquarters.

The bells are a very nice peal of eight (tenor 17 cwt.) by Taylor and Co., installed about 1906. The meeting was most successful and enjoyable. The methods rung included Superlative Surprise, Double Norwich, Kent Treble Bob and Bob Major, Stedman and Grandsire Triples.

BELFRY GOSSIP.

The suggestion that Big Ben should be recast has again been revived in the Press. Even supposing there was a genuine public desire for a new bell to replace the one whose sound is now familiar to listeners throughout the world, there are expensive difficulties in the way. Big Ben could not be lowered, or a new bell hoisted into position, unless an aperture were cut in the side of the tower or part of the roof removed—an undertaking which would probably cost thousands of pounds.

Mr. Alfred H. Pulling has been presented with a clock by the old boys of Guildford Royal Grammar School, where he has been caretaker for more than 25 years. The clock bore the inscription, 'Presented to A. H. Pulling by the Old Guildfordians' Association as an expression of appreciation, 1908-1934. Time flies.'

Three generations of each of two families, together with two generations of another, rang a peal at Grundisburgh, Suffolk, last Sunday—three Tilletts, three Clarks and two Symonds. The senior member of the band—Mr. Charles Clarke—is 81.

A peal of 'Real Double Norwich Court Bob Major,' at Moorside, Oldham, recorded this week, prompts one to ask if this is really the correct way to describe what was rung. The calling of bobs when the treble is behind does not alter the method.

The meeting of the Surrey Association, which was to have been held at Kingswood to-morrow, is transferred to Reigate, owing to illness at the former place.

The Rev. S. C. Stevens, who has proved himself to be a 'ringers' parson,' has recently been inducted to the living of the Parish Church of Leek, Staffs, and the ringers have welcomed him to his new benefice with a peal of Oxford Treble Bob Royal.

The peal rung at Rock Ferry on Thursday week was an achievement of which the band can be proud. The footnote reveals the reason.

The East Berks and South Bucks Branch of the Oxford Diocesan Guild, noted for the 'bright young things' who enliven the meetings, is in a very flourishing condition. The balance sheet just issued shows receipts from hon. and ringing members' subscriptions of £27 2s. 6d., including a gathering in of arrears, one member having paid from 1923 onward. There's an example to 'defaulters'! Two hundred and forty-two ringing members paid for 1933, and the balance in hand has increased by £4 11s. 11d.

Mr. Harry Chapman is churchwarden for the third year in succession at Keyston, Hunts. Mr. A. J. Ginn, Mr. F. Warrington and Mr. G. Whybrow are on the Church Council at Over. Mr. F. Warrington has just finished a term of office with the Over Parish Council.

Beverley Minster bells were broadcast on Sunday evening from the Northern Regional station. While they were ringing the Bourdon bell, 'Great John,' was rung, and its deep note, harmonising with the other bells, added to the impressiveness of the sound.

The ringer of the seventh in the peal at St. Botolph's, Bishopsgate, on March 26th, was Ernest Brett, and not Joseph Marks, as reported.

TWO PEALS IN A DAY.

MR. JAMES GEORGE HOLDS THE RECORD.

To the Editor.

Dear Sir,—Referring to your remarks in Belfry Gossip as to the oldest ringer to ring two peals in a day, I must heartily congratulate my young friend, Mr. Nevard, in ringing two peals in one day on April 2nd, 1934, on the 3rd and 4th bells. Mr. Nevard was 78 on February 8th, 1934.

I succeeded in ringing two peals in a day twice last year after I was 79. On August 10th, 1933, I rang the 21 cwt. tenor at Cleator Moor to Double Norwich Major in 3 hours 16½ mins., and the treble at Egremont to Cambridge Surprise Major in 3 hours 4 mins.

On September 9th I rang the 14½ cwt. tenor at Port Sunlight to Double Norwich Major in 3 hours, and the 12½ cwt. tenor at Frodsham to Cambridge Surprise Major in 3 hours and 2 mins. When these peals were rung I was close on 80. I did not think so much of these performances, as I still hope to ring four peals in one day.

JAMES GEORGE.

DEATH OF MRS. J. THOMAS.

The many ringers in all parts of the country who know Mr. John Thomas, one of Messrs. Mears and Stainbank's bell hangers, will deeply sympathise with him in the death of his wife. Mrs. Thomas, who had been ill for some time, passed away at her home at Suffolk Road, Ponders End, on Sunday.

Mrs. Thomas was herself a ringer, and a member of the Ladies' Guild and other ringing organisations. She had rung several peals, and although of recent years she had been unable to do a great amount of ringing, her interest in ringing matters never lessened, and she rang at Edmonton on Sundays when possible.

The funeral took place yesterday (Thursday) at Enfield Highway.

KENT COUNTY ASSOCIATION.

900 MEMBERS AND £900.

The 54th annual general meeting of the Kent County Association was held at Maidstone on Easter Monday, when nearly 200 members attended.

The committee met prior to the service, and among other business £5 was voted from the Belfry Repair Fund to the Stone-in-Oxney restoration as a memorial to the late Mr. Chas. Player, £5 to Egerston, and £3 to Stouting, where it is proposed to add two trebles to make a peal of six.

The association service was held in the Church of All Saints at noon, conducted by Canon Sopwith, and an excellent address given by the Rev. C. W. Martyn (Vicar of St. Peter's, Maidstone). Canon G. C. E. Ryley officiated at the organ. A collection for the benevolent fund of the association realised £2 1s.

The annual dinner and meeting were held at the Corn Exchange. Mr. E. H. Lewis (president of the Central Council and vice-president of the K.C.A.) presided, and was supported by Canon Sopwith, Canon Ryley, Rev. C. W. Martyn, Mr. G. W. Fletcher (hon. secretary of the Central Council), Mrs. Fletcher, and the officers of the association.

After dinner had been disposed of, Mr. F. White, submitting the toast of 'The Archbishop of Canterbury and the Clergy of the County,' said the association always had the greatest assistance from the clergy. He coupled with the toast the names of Canon Sopwith, Canon Ryley and the Rev. C. W. Martyn.

LEEDS CHURCH, KENT,
where James Barham is buried.

Canon Sopwith, in reply, said he had met with nothing but kindness, consideration and good fellowship from the bellringers of the county.

The Rev. C. W. Martyn congratulated the association on the success of the meeting.

Canon Ryley said that as a member of the committee for many years, he had come into contact with many bellringers, and knew their worth. Kent had some wonderful bells.

NEARLY 900 RINGING MEMBERS.

Presenting the report, the Hon. Secretary, Mr. F. M. Mitchell, said that in 1933 there were 56 fewer practising members than during the previous year. They hoped all members would do their best to increase the membership. The reason for nearly a five per cent. drop was probably that they had not encouraged their young beginners. They asked the clergy of the county to induce new members to take up ringing, and as an encouragement to young members the subscription for members under 16 would be reduced to 1s. a year.

There were 110 towers in the association, and 899 practising members. They had lost ten members by death, and he specially mentioned the late H. G. Fairbrass, of Canterbury, one of the foundation members, and Chas. Player, of Stone-in-Oxney. £34 17s. had been subscribed to the memorial to the late Mr. Edwin Barnett, of Crayford, and it was shortly hoped to determine the form the memorial would take.

The association had come out on top in the peal analysis with 153 peals, an increase of seven on the previous year. Twenty-six ringers had rung their first peal, 140 their first in the method, three conducted their first peal, and 10 rung their first as conductor in the method.

FLOURISHING FINANCES.

The balance sheet showed the association to be in a flourishing condition. The balance on the general account showed an increase, and now stood at £41 2s. 1d. From the belfry Repair Fund £15 5s. had

been paid to tower restoration work, and the balance in the fund was now £127 14s. 9d. £13 5s. had been paid from the Benevolent Fund to aged and deserving members. By collections at meetings this fund had been augmented, and showed an increased balance of £19 4s. to £214 19s. 11d.

With invested funds and the balances of the various accounts the total funds of the association now stood at £931 0s. 5d.

In moving the adoption of the report and balance sheets, Mr. Lewis said they showed tribute to the work of their hon. secretary. He also gave welcome to one of the foundation members present (Mr. Philip Hodgkin, of Headcorn).

Mr. Steddy (Edenbridge), seconding, said it gave him pleasure to see so many young ringers present on that occasion.

The report and balance sheets were unanimously adopted.

Mr. F. Brett (Canterbury) proposed that Rule 4 be altered to allow young ringers joining the association to do so at a reduced subscription, viz., 1s. per year, until attaining the age of 16.—This was seconded by Mr. E. Barnett (Crayford) and carried unanimously.

The whole of the officers were unanimously re-elected, with thanks for their work during the past year.

Mr. S. Shellock (Chatham) made an appeal on behalf of a scheme for the restoration of the bells and tower at Newington, at a cost of £1,000.

A similar appeal was made on behalf of the parish of Stone-in-Oxney, a Romney Marsh parish, where it is proposed to rehang the bells in memory of the late Mr. C. W. Player, for many years a well-known ringer in the county. A collection was made in the room and realised £3 18s. 3½d.

AT BARHAM'S GRAVE.

The towers thrown open to the members of the association by the kindness of the clergy concerned were All Saints', Maidstone; St. Nicholas', Leeds; St. Peter's, Aylesford; St. Nicholas', Linton; St. Mary's, West Malling; St. Margaret's, Barming; Holy Cross, Bearsted; and East Farleigh.

After the business meeting some of the company went to Leeds to ring on the peal of ten bells.

Mr. E. H. Lewis had brought a peal of handbells, and before the party ascended the tower a touch of Bob Major, 240 changes, was rung over the grave of Mr. James Barham, who from 1744 to 1804 took part in ringing some 112 peals in Kent.

He is reported to have rung 17 hours during the celebrated peal of Bob Major at Leeds in 1761.

The ringers were Mr. E. H. Lewis 1-2, Mr. G. W. Fletcher 3-4, Mrs. Fletcher (conductor) 5-6, Mr. T. Groombridge, sen., 7-8.

ELY DIOCESAN ASSOCIATION.

NEW BISHOP ASKED TO BE PRESIDENT.

The annual meeting of the Ely Diocesan Association was held at St. Neots on Easter Monday, when about 60 ringers (including several ladies) attended from towers in the diocese, and visitors from considerable distances. The clergy present were the general secretary, the Rev. B. H. T. Drake (Rector of Walsoken), Rev. E. B. James (Fareham) and the Rev. R. Copeman (Cambridge).

A ringers' service was taken by the Rev. H. T. H. Doggett (St. Neots), who gave an appropriate address, in the course of which he asked ringers to remember that their work was not a substitute for worship, but that each had something to contribute to the services in church. He commended ringers and their work to God, and hoped He would pour upon them the riches of His grace.

An Easter hymn was sung, the organ being played by a ringer—Mr. H. J. Hazell, A.L.C.M., of Cambridge.

Tea was provided at Mr. W. S. Shepherd's tea rooms, and after this the business meeting was presided over by Rev. R. Copeman.

The balance sheet, showing £23 in hand, and the report, were passed.

The new Bishop of Ely is to be asked to be president in the place of his predecessor.

The officers and committee were re-elected. Cambridge was agreed upon for next year's annual meeting.

It was agreed to grant from the funds two guineas each to the parishes of Somersham and Littleport towards bell restoration.

A vote of thanks was accorded to the incumbents of St. Neots, Eynesbury and Eaton Socon for permission to ring the bells.

During the afternoon and evening various methods were rung at St. Neots and Eaton Socon, and also 'rounds' for the beginners, the ringers expressing great satisfaction with the bells.

BRIDGWATER RINGER'S GOLDEN WEDDING.

Mr. and Mrs. Elsworthy, of Kendale Road, Bridgwater, have just celebrated their golden wedding. They were married on April 7th, 1884, at St. Peter's Church, Tiverton, Devon, where Mr. Elsworthy was a ringer over 38 years. He is now a ringer at St. Mary's, Bridgwater. The ringers offered congratulations by ringing a quarter-peal of Grandsire Triples, the band being: C. Evans 1, W. Evans 2, S. Russ 3, E. Chapman 4, F. Greedy 5, C. May 6, J. Elsworthy (conductor) 7, W. Parker 8.

Afterwards, Mr. Elsworthy entertained the ringers at the Mansion House, the ringers wishing Mr. and Mrs. Elsworthy continued health and happiness.

NEW RING OF TEN AT RANMOOR.

MEMORIAL TO THE LATE SAM THOMAS.

Within the memory of many still living, "Randmoor," as it used to be called—the edge of the moor, as its name signifies—was a picturesque piece of country on the outskirts of the growing town of Sheffield. A racecourse along what is now Fulwood Road attracted the grinders and cutlers of Sheffield; and the grandstand, of which 'Stand House' marks the site, was filled with the local patrons of sport, while through the woods and along the banks of Porter Brook and Oak Brook the children loved to wander in spring and summer.

With the growing prosperity of the cutlery town, many mansions sprang up in the district, and it was John Newton Mappin, of Birchlands, who conceived the idea of building in their midst the Church of St. John-the-Evangelist. The noble church, with its lofty tower and steeple, was completed in 1879 by his munificence, and a peal of eight bells was presented by William Smith, of Hallam Head.

RANMOOR CHURCH, WITH ITS GRACEFUL SPIRE.

Eight years afterwards, in 1887, the year of Queen Victoria's Jubilee, the church was burnt down, the walls and the tower alone remaining, and in 1888, twenty months following the disaster, a still more glorious building was reopened for public worship.

The spire rises to a height of 200ft., and is the highest in Sheffield, and in the tower was housed a ring of eight, with a 15cwt. tenor, that had been in urgent need for many years of rehanging and improvement in tone.

On Saturday, March 31st, the old bells, restored and augmented to ten, were rededicated by the Lord Bishop of Sheffield in the presence of a crowded congregation and 100 ringers of the district.

Ranmoor will always be associated with the late Mr. Sam Thomas, one of the early founders of the Sheffield District Association of Change Ringers and leader of the belfry for many years.

Sam Thomas was born in 1870 at Wath-on-Dearne and came of an old ringing family. He first learnt to ring at the age of nine, joined the Parish Church (now the Cathedral) company in 1889, rang his first peal with them, and was associated with the Ranmoor band from 1895 until his death on June 24th, 1924.

Among his many achievements was the first peal of Original Major, which he composed and conducted, and he was known not only in Sheffield but throughout the country for his ability in teach-

ing young learners as much as for his own excellence as a ringer and conductor of outstanding ability.

A fitting tribute has now been paid to his memory in the presentation of the two trebles to create a ring of ten by the Sheffield and District Society.

At the dedication service the Bishop was assisted by the Very Rev. the Provost of Sheffield (Dr. A. C. E. Jones), the Rev. Canon Bracewell (Rural Dean), the Rev. Canon L. T. G. Smith, and the Rev. H. C. Foster (Vicar of Ranmoor).

An impressive part of the ceremony was when the Bishop, accompanied by the Vicar and churchwardens, Lieut.-Col. R. O. Wever and other members of the Bells Committee, went to the bell tower, where Mr. Cyril Johnston, representing the bell founders, handed over the bell ropes.

An innovation was introduced by the erection in the church of loud speakers which were connected to a microphone in the ringing chamber in order that the vast congregation could hear the ceremony of the actual dedication and the handing over of the bells.

The opening rounds were rung by the local company and special visitors, whilst Messrs. C. Haynes (president), S. F. Palmer (treasurer) and M. E. Wilson (secretary) of the Sheffield and District Society were present in the ringing chamber at the special request of the Vicar.

In the course of an inspiring address his Lordship asked the question, 'Is the ringing of church bells for victory right?'

'I still think,' he said, 'that the ringing of church bells for victory is right. If you have entered into such a terrible thing as war with a good conscience and with a desire to do the right, and if God gives you the victory, I think it is right to ring the bells.'

Dr. Burrows said that it was quite clear from history that the sound of the bells was their original value.

He thought that sometimes in England we had lost a good deal in dropping some of our age-old customs which reminded us of the past and served as a link with it.

There were still great occasions when the bells were sounded. He said marriage bells were one of the best and truest uses of the bells of the church, because they showed to the whole parishioner that marriage was a solemn and sacred thing when performed in the church.

The Bishop also spoke of the moving effect of the muffled peals of bells sometimes still used at funerals. The most common use of the bells was to call people to worship.

The Bishop described the development of bells as the Church had grown, and how science and music had come in through change ringing and the tuning of bells. He paid tribute to the late Mr. Sam Thomas, who devoted much of his time to the perfecting of change ringing, which he introduced in the district.

Immediately after the service, and as the vast congregation was leaving the church, the bells burst forth into their first changes, a well struck touch of Stedman Caters being rung by a specially picked band of ringers, all of whom had been closely associated with the late Mr. Thomas.

A large number of people remained outside to listen to the bells, and all were loud in their praises of the magnificent tone of the new peal.

Tea was served in the Parish Room, at which all the clergy present at the dedication, the churchwardens, Mr. and Mrs. C. Johnston, of Croydon, and some one hundred ringers and friends sat down.

The Bishop again addressed the gathering, and, in addition to what he had already said from the pulpit, added a few words specially to the ringers for the part they had taken in that day's proceedings, and thanked them for their help and kindly interest, for, he said, he never lost sight of the valuable work being done by the ringers in his diocese in the service of the Church.

Mr. S. F. Palmer, on behalf of the Sheffield and District Society, gave a short resumé of the work done in connection with the addition of the two new trebles by the society, the members of which had made themselves responsible for the cost, in their desire to erect some tangible memorial to the memory of their late president. He specially thanked the Rev. H. C. Foster, Vicar of Ranmoor, for his great interest and warm-hearted co-operation, without which their desire could never have been accomplished. In congratulating Mr. Johnston on the fine quality of the peal and the excellence of his firm's work, Mr. Palmer jocularly referred to a previous announcement in the local press of the 'World's best bells for Sheffield Church.' He had sent that bill head to Mr. Johnston, with an addendum of his own, 'Mind they are,' and he hoped that time would prove that they were 'some of the best.'

After tea short touches were rung on the bells in various methods until 9 p.m., in order that every ringer present should have an opportunity of testing the new peal.

The towers represented included Sheffield Cathedral, St. Marie's R.C., Handsworth, Norton, Chesterfield, Bolsover, Rawmarsh, Rotherham, Eastwood, Ecclesfield, Staveley, Bolsterstone, South Anston, Brighton, Workson and the local company. The visitors included Mr. F. J. Smallwood (Bolton), Mr. W. Dransfield (Almondbury), and Mr. Thomas, brother of the late Mr. Sam Thomas.

THE BELLS.

The inscription on each of the two new trebles runs: 'This bell was added to the original peal of eight bells by the Sheffield and District (Continued in next column.)'

CHESTER DIOCESAN GUILD.**PROPOSED MEMORIAL TO THE LATE REV. A. T. BEESTON.**

A meeting of the Bowdon, Stockport and Mottram Branch was held at Mossley on Saturday, April 7th, by kind permission of the Rector. Owing to the inclemency of the weather, and the somewhat difficult geographical position of Mossley for many members, the attendance was rather smaller than usual, but those members who did attend had a thoroughly enjoyable meeting.

The service was conducted by the curate (the Rev. Harold Dawson), who, with the text 'The morning stars sang together,' spoke on co-operation with regard to work in the belfry and the church as a whole. After the service, tea was partaken of by twenty members and friends, and this was followed by the business meeting, under the chairmanship of the curate, at which three new members were elected.

The Chairman of the branch reported on the recommendations of the committee which had been formed to formulate a scheme for the erection of a memorial to the memory of the late Rev. A. T. Beeston, and the meeting gave the committee authority to proceed.

After a discussion on the broadcasting of ringing, the meeting expressed its appreciation of the B.B.C.'s efforts in this direction, and hoped that they could be extended. The secretary was instructed to write to the B.B.C. to this effect.

The meeting concluded with a return to the belfry, where the bells were kept going until 9 p.m. to the following methods: Kent Treble Bob, Oxford Treble Bob, Plain Bob, Double Norwich Court Bob, Kingston, Sandal and London Scholars' Pleasure.

OXFORD DIOCESAN GUILD**EAST BERKS AND SOUTH BUCKS ACTIVITIES.**

The East Berks and South Bucks meetings being one long line of successful gatherings it is really only necessary to point out the exceptional ones. The last one held at Chalfont St. Peter was a real 'eye-opener,' over 40 ringers from various parts being present.

The Vicar and two churchwardens were admitted as hon. members, also the entire band from Clewer as ringing members.

This pleased the secretary, who has now got his 30 towers for the report, although unofficially there are two more.

A pleasant service, an excellent tea, and some handbell ringing will long remain in the memory of all those present.

Other features of the occasion were a 120 of Grandsire Doubles by six ladies and a touch of mixed Cambridge and London by a mixed band. Numerous other methods were rung from rounds to Surprise.

Another noticeable point was that about 70 per cent. of the ringers were young people.

A record attendance at the annual meeting is anticipated, and we would emphasise the importance of notifying the secretary early in order that adequate supplies are available for tea. The meeting is to be held at Boyne Hill on April 28th.

WINCHESTER AND PORTSMOUTH DIOCESAN GUILD.

A quarterly meeting of the Southampton District was held at Lockerley on Saturday, when about 40 members attended from Bishopstoke, Dibden, Lockerley, King's Somborne, Mottisfont, North Stoneham, Farnborough, Southampton and Winchester. Service was held in the Parish Church at 4 p.m., a very pleasing feature being the number of parishioners who attended.

At the business meeting which followed the tea, the band at Mottisfont joined the Guild.

Mr. G. Williams (Ringing Master) congratulated the Lockerley band on the good progress that they had made in the art of change ringing.

It was reported that the Church Council at Broughton were appealing for funds to put their ring of five into order, and, if possible, to add a treble to make a ring of six.

During the afternoon and evening ringing took place in a variety of methods upon the bells at Lockerley, East Tytherley and Mottisfont. The next meeting is to be held at Dibden on July 14th.

(Continued from previous column.)

Society of Change Ringers in memory of Sam Thomas in 1934.

The former inscriptions have been reproduced on the back eight bells, with the addition of 'Recast by Gillett and Johnston, Croydon.'

The ring of ten is in the key of F with a total weight of 73 cwt., the tenor weighing 16½ cwt.

The space in the belfry is limited, but the whole peal has been hung skilfully on one level in a massive cast-iron frame on steel girders.

The fittings are of the latest type, and the tenor and trebles have been fitted with the firm's patent clapper control.

A special sound-deadening floor has been inserted between the belfry and the ringing room, which is just below, and the fine spire has been opened up.

The result of these improvements is well justified by the improvement of the conditions in the ringing room and the general musical effect outside the tower.

Messrs. Gillett and Johnston were congratulated on all sides for the production of a fine peal with trebles of outstanding quality and a ring that can be handled with the greatest of ease.

RINGING CONTEST AT HALIFAX.**LIVERSEDEGE BAND'S GOOD RINGING.**

A six-bell contest was held at Halifax Parish Church by the Halifax and District Association on April 7th. There were six competing bands, each of which had to ring 600 changes in any method. The judges were Mr. J. Broadley (Bradford) and Mr. Squires (Halifax), with Mr. Salmons (Halifax) as marker. The awards were as follows, the teams being given in the order of ringing:—

Holmfirth.—Penalty 10, faults 124, total 134.

Liversedge No. 1.—Penalty 20, faults 74, total 94.

Shelley No. 2.—Penalty 30, faults 292, total 322.

Shelley No. 1.—Rung out.

Meltham.—Faults 149, total 149.

Liversedge No. 2.—Penalty 20, faults 196, total 216.

Liversedge No. 1 were, therefore, winners of the cup. Their ringing was extremely good.

The first five bands rang Oxford Treble Bob Minor, and the other Kent Treble Bob Minor.

Comments were made on the state of the Halifax bells and surprise expressed that the clock had been stopped for several months owing to lack of funds.

After the ringing, a meeting was held in the vestry, presided over by Mr. E. Ernschaw (Meltham).

The meeting stood in silence for a few moments as a mark of respect to the late Mr. John Tinker (New Mill), a member of the association.

The President moved a vote of thanks to Bishop Frodsham and the churchwardens for the use of the bells and for making the contest such a success.—Mr. F. Townend (Kirkburton) seconded.

Bishop Frodsham, in reply, said it was a great privilege to him to be with the ringers. He said he could not understand the apathy that some people showed towards bellringing. It was an art that required selective skill and team work. Once a ringer, always a ringer. He said he knew from experience that the young men in large towns would not or could not learn ringing. It seemed rather a pity that Halifax, with twelve bells, could only muster six ringers, when places like Liversedge and Shelley had twelve ringers for eight bells.

The Halifax bells dated to 1487, and at the present time practically the same metal was in the bells. What was known as the 'Parson' bell at the Halifax Parish Church was once given in repayment of a debt to the Lacy family, but had since been returned to the tower. The Bishop thanked the ringers for their kind vote of thanks, and hoped they would soon pay another visit to Halifax.

Bishop Frodsham presented the cup to Mr. E. Betts, conductor of the winning band, and congratulated his team.—Mr. E. Betts replied.

ESSEX ASSOCIATION**SOUTH-WESTERN DIVISION.**

There was a good attendance at the meeting of the South-Western Division at Loughton on Saturday, April 7th, between 50 and 60 members putting in an appearance during the afternoon and evening from Leytonstone, Loughton, Woodford, Dagenham, Newmarket, Fulborne, Bentley, Harlow Common, Camberwell, Barking, Wanstead, West Ham, Hornchurch, Romford, Edmonton, South Weald, Walthamstow and Enning, and touches in various methods were rung till 5 p.m., when an adjournment was made to the Church Hall for tea.

At the business meeting it was reported by the secretary that since the last meeting they had lost by death Mr. Albert Rainbird, of Bentley, and the members present stood in silence as a mark of respect.

Five new members were elected and High Ongar chosen as the place for the next meeting to be held on June 2nd.

A hearty vote of thanks was accorded the Rector for allowing use of tower and bells, to Mr. J. Rann, of the Loughton band, for having everything in readiness, to the organist and to the ladies for arranging the tea.

Afterwards the tower was again visited and the bells kept going to various methods from rounds for the beginners to Bristol Surprise for the experts.

The next meeting at High Ongar has been arranged at the express wish of the Rector, and it is hoped members will make every effort to attend.

LEWES RINGER'S WEDDING.

On Saturday, at Southover Church, Lewes, Mr. R. W. E. Dawe (a member of the local band and son of Mr. R. J. Dawe, one of the best known of Sussex ringers), was married to Miss E. M. Morris. As the bridal party left the church, Southover ringers, with Mr. F. Bennett and Mr. H. Rann, of Brighton, rang 321 Grandsire Triples and 120 Stedman Doubles. Later, a peal of Bob Royal, in honour of the event, was rung, and afterwards the band were entertained by Mr. and Mrs. R. J. Dawe to a sumptuous repast at the King's Head. 'Health and happiness to the bride and bridegroom' was a toast enthusiastically honoured, and Mr. F. White, who expressed the good wishes of the band, also thanked Mr. and Mrs. Dawe for their kind hospitality.

ST. MARTIN'S GUILD, BIRMINGHAM.

The first quarterly meeting of the year of St. Martin's Guild for the Diocese of Birmingham was held on Saturday, April 7th, at the Parish Church, Shirley. Although only one mile outside the city boundary and on the main road to Stratford-on-Avon, Shirley until a year or so ago retained all the characteristics of an old-world village. But now, owing to the activities of the speculative builder, it is fast becoming a thriving suburb of the city.

The weather was pleasant with nice warm sunshine, and about 40 members were present, amongst them being an old friend, Mr. Vice-President Thomas Russam.

The bells, a pleasant ring of six, were raised at 3.30, and were kept going in various methods until 4.30, when the Guild's special form of service was conducted by the Vicar, Rev. S. P. Riley, who also gave an interesting and instructive address.

An adjournment was made to the Church House, where an excellent tea had been prepared, which was thoroughly enjoyed by all.

A short business meeting followed, the Master, Alderman J. S. Pritchett, M.A., occupying the chair. He referred to the loss Mr. J. Johnson (son of Henry Johnson) had sustained by the death of his wife, and tendered to him the sincere sympathy of every member of the Guild.

Apologies for absence were received from Vice-Presidents James George and A. Paddon Smith, also from Mr. G. A. Martineau, of Solihull.

The following new members were elected: Messrs. W. J. Beniams, Ludlow; R. W. Daniels, Edgbaston; D. T. Matkin and S. O. C. Holloway, Smethwick; V. C. Hemus and J. E. Eaton, Selly Oak.

It was decided to hold the next quarterly meeting at Sutton Coldfield on Saturday, July 7th.

A hearty vote of thanks to the Vicar for the use of the bells and his address at the service, to Mr. A. Morris (who had recently been elected people's warden) for making the local arrangements, and to Mrs. Morris and her lady helpers in serving the tea, was proposed by the chairman, seconded by the hon. secretary (Mr. T. H. Reeves) and carried unanimously.

Further ringing then took place on the tower bells, whilst others indulged in change ringing on the handbells.

NEW TREBLE BELL FOR DANBURY CHURCH.**AN ESSEX AUGMENTATION.**

At the morning service, on Palm Sunday, the Lord Bishop of Chelmsford dedicated the new treble bell at Danbury, Essex, which has been provided in memory of the late Henry, 13th Baron Fitzwalter, who was patron of the living. There was a large congregation.

The bell was cast and installed by Mears and Stainbank. It weighs 4 cwt. 3 qr. 9 lb., and bears the following inscription:—

'Ego, Campana, Dominus Fitzwalter, per multos annos resonabo. Mears et Stainbank me fecerunt, MCMXXXIV.' (I, the Bell, Lord Fitzwalter, will sound through many years. Mears and Stainbank made me, 1934.)

The service was conducted by the Rector, Rev. R. E. Fanshawe, the lessons being read by Dr. C. Armstrong Gibbs.

After the dedication ceremony the Bishop tolled the bell, and at the conclusion of the service touches of Bob Minor and Oxford Treble Bob Minor were rung, those taking part being Messrs. W. J. Nevard (Bentley), H. T. Pye (Colchester), F. Chalk and H. J. Mansfield (Maldon), E. E. S. Johnson (Goldbanger), H. Bowers (Broomfield), G. Coppen (Sandon), G. Cass (Chelmsford), and members of the local company.

Prior to the evening service a quarter-peal of Bob Minor was rung by: H. Joyce (Danbury) 1, H. W. Kirtton (Chelmsford) 2, E. Runter (Springfield) 3, Dr. P. T. Spencer-Phillips (Great Baddow) 4, F. Chalk (Maldon) 5, W. Burgess (Danbury) (conductor) 6.
