'CANNED' BELLS: THE COUNCIL'S OPPORTUNITY.

The Central Council is to have the opportunity, if it wishes, of considering the question of the broadcasting of records of bells from churches, at the meeting to be held on Whitsun Tuesday at Leeds. It is a matter of farreaching importance, and the motion which has been tabled by the Rev. Herbert Drake should be welcome for the opportunity it will give of considering the subject in all its bearings-and these are many. It should be welcomed, in view of the fact that the agenda is not a long one, and that the matter is really one of some urgency if the tendency to install apparatus for broadcasting is to be resisted. The more the practice grows the more difficult will it be to make effective protest.

Ringers are, of course, whole-heartedly against the introduction of 'canned' bells, and the greatest danger which they can foresee is the threat that in future church builders will be content to provide only flimsy towers and install amplifiers, in order to save cost, instead of doing as their forefathers have done, erect towers of sufficient strength to carry a peal of bells hung for ringing as they should be. In the instance which has brought this subject specially under public notice, the use of bell records at a church in Weymouth, it has been urged that the tower could not possibly stand the strain of ringing bells, and, that being the case, it is better to reproduce by mechanical device the sounds of other bells rather than submit the public to the monotonous chiming of a single bell. Maybe there is something to be said for that point of view, but only in so far as it is a relief to the public ear, but the real fault is an earlier one, that when the builders planned the church they planned cheaply and without a full realisation of what is due to God in such an undertaking. What is needed is that those responsible for the building of churches should realise that they are planning not only for the present, but for the centuries, and that if the best cannot be provided all at once, it is better to do the work piecemeal, so that the completed structure may be worthy of the high cause for which it is brought into existence.

That is one aspect of the question, but the Rev. H. Drake's motion brings out another and no less important —the fact that the ringing of the bells is in itself an act of worship; that ringing is a personal service to the Church; and that therefore the substitution of 'synthetic' bells is a trickery to which the Church should be no party, inasmuch as it publishes a pretence to the world that men are in the church performing an act of worship. In addition, the motion points out the absurdities which may be produced by the use of records. These are grounds

which church authorities should seriously take into account when considering such installations, and if the Council can do anything to influence those who are responsible for authorising these innovations they will be doing good service in the maintenance of the historic use of bells, the contribution which thousands of men and women are making Sunday by Sunday to worship and the art of ringing. The motions will allow the subject to be discussed from every angle, and it is to be hoped some effective action may be the outcome.

PEAL NOTES.
MEMORIAL PEAL AT ST. PAUL'S CATHEDRAL.

The Ancient Society of College Youths paid a tribute to their late hon. secretary, Mr. W. T. Cockerill, by ringing a half-muffled peal of Stedman Cinques at St. Paul's Cathedral on Saturday.

Stedman Cinques at St. Paul's Cathedral on Saturday.

Mr. A. E. Sharman, of Dunstable, hon. secretary of the Bedfordshire Association, rang his one hundredth peal for the association and his fiftieth peal with Miss Evelyn Steel, on May 14th, at Dunstable, when he called a peal of Double Norwich Major, composed by a former well-known Bedford ringer, John W. Barker.

The Bristol Rural Branch of the Gloucester and Bristol Diocesan Guild has as its chairman (Mr. H. Benson) and its secretary (Mr. C. Gifford) members of Coalpit Heath tower, and this belfry also supplies this year's chairman of the Bristol United Ringing Guilds. To commemorate this 'record,' a peal of Grandsire Doubles was rung at Coalpit Heath on May 7th, in which these three ringers took part. The peal was also a wedding compliment to Mr. Benson.

To celebrate the laying of the foundation stone of the new Church of St. Mary, Gravesend, a peal of Superlative Surprise Major was rung at St. George's in this ancient Thames-side borough on May 14th, Walter H. Dobbie scored his first Surprise peal. He is the son of Mr. Stanley B. Dobbie, who was also in the peal.

water H. Dodde scored his first Surprise peal. He is the son of Mr. Stanley B. Dobbie, who was also in the peal.

We have not had long to wait for the first peal on the new bells at Staverton, Northants. It was rung on May 14th, and three clergy took part. We wonder if this is the first time that a Vicar and his wife have rung a peal together in their own tower? The Rev. E. S. and Mrs. Powell rang in this one.

Mr. Town Price of Tellbary Middlesey room his 200th and him he

Mr. Tony Price, of Feltham, Middlesex, rang his 200th peal when he called seven extents in different Minor methods at Middleton Cheney, Northants. The bells there are a six with a tenor of nearly 23 cwt.

The bells of Croft, Leicestershire, were dedicated in May, 1928, and to commemorate the tenth anniversary a peal of Grandsire Doubles was rung on them on May 7th.

Mr. Pat Cannon takes a delight in hunting out towers where he can ring the first peal on the bells. He has netted two recently in Hamp-

shire

on Saturday, May 7th, he called the first peal on the bells at Barton Stacey, which was rung as a compliment to Mr. George Williams on his slist birthday. Five of the bells date from 1725, the treble having been added in 1934 by Messrs. Taylor and Co.

Eling, near Southampton, has had a ring of six bells since 1775, when they were installed by Messrs. Pack and Chapman. The first peal on them was called by Mr. Cannon on May 11th.

We do not know if there is any official connection between St. Mary's, Eling, and St. Mary's, Ealing, Middlesex. but there was a connecting link in the peal, for one of the ringers was Mr. Alan Pink, of Ealing. It was Reginald Reed's 50th peal.

The half-muffled peal of Surprise Minor rung at South Kirkby, Yorks, on May 7th, in memory of the late Mr. F. Clarke, hon. secretary of the Southern Division of the Yorkshire Association, had the bells open at backstroke, so that the part-ends could be heard distinctly. It was the first peal of Surprise Minor on the bells.

Miss Hall, of Broughton Hall, Staffs, was among the debutantes presented at the first Court of the season this year at Buckingham Palace. A peal of Stedman Triples in honour of the event was rung at Broughton Church on May 14th by members of the North Stafford-shire Association. shire Association.

(Continued in next column.)

AN AGRICULTURAL BAND'S NEED.

(Continued from previous column.) The first peal on the bells at Bishampton, Worcestershire, since they were recently rehung in a new frame by Messrs, Taylor and Co. was rung by a visiting band on May 7th. It enabled that veteran, Mr. Harry Middleton, of Norton, Evesham, to fulfil an almost life-long ambition—to ring a peal in the village where he had so many youthful associations. Previous attempts, over a long period, were always frustrated by the state of the tower and bells. Harry Middleton is

now happy. It was his first peal in seven Treble Bob methods, as, also, it was by Mr. James Hemming, who, incidentally, completed his second century.

The local ringers at Bishampton are agricultural workers and are badly in need of a set of handbells to facilitate learning change ringing. If anyone has a set to spare it would be an act of considerable kindness if they would make a gift of them to Bishampton tower. The Vicar (the Rev. Thomas Wilkinson) will be grateful to receive any correspondence on the matter.

Mr. and Mrs. John Pickering, of Bishopwearmouth, Sunderland, celebrate their silver wedding this year, and on May 14th at Bishopwearmouth Church, where Mr. Pickering has been a ringer for 35 years, a peal of Bob Major was rung in honour of the event.

Derek Rugg, of Halvergate, Norfolk, has rung his first peal at the age of 13 years. He is a service ringer at his Parish Church, and he rang the treble to 42 extents of Grandsire Doubles. Mr. Henry Tooke, who called the peal, has now rung peals of Grandsire from Doubles to

A peal in 12 Minor methods was rung at Horsham St. Faith, Norfolk, on May 12th, the first time a peal in more than three methods has been rung there.

been rung there.

Four members of the Vessey family—two brothers and two sisters—rang in a peal in seven Minor methods at Barnby-in-the-Willows, Notts, on May 10th. Miss Dorothy Vessey and Mr. Jack L. Millhouse rang their 25th peal together.

Mr. Dan Cooper rang the 2nd to a peal of Grandsire Caters at Beddington, Surrey, on May 14th, and thus completed circling the tower twice to peals.

This peal was Mrs. Freed Calling fort and Mrs. Date Table 2011.

This peal was Mrs. Fred Collins' first and Mr. E.

This peal was Mrs. Fred Collins' first and Mr. E. J. Ladd's 75th. Mrs. Collins has learned to ring since her marriage. Her husband was formerly a bellhanger for the Croydon Foundry, but now that he has 'settled down' he has found his wife an apt pupil in the belfry. The first peal on the ring of six at Cookham, Berks, for eight years was rung on May 14th, and it was the first peal in seven methods on the bells, two of which were cast in 1638. Two of the local band, Mr. T. J. Fowler and his son, Ronald, took part, and the remainder came from St. Peter's Society, Burnham.

Another peal of St. Clement's College Bob has been rung. It is one of the interesting plain Major methods in the Central Council's 'Collection.' This time it has been rung at Great Bardfield, and five of the band rang their first peal in the method.

The first peal of London Surprise Major at Great Waltham, Essex, was a birthday compliment to Mr. George Green.

There were 170 changes of method in the fourteen-method peal of Minor rung at Elsham, Lincs, on May 12th.

Minor rung at Elsham, Lines, on May 12th.

In the peal of Stedman Caters rung at St. Magnus', London Bridge, on April 16th, the number of changes should have been given as 5,031, not 5,021 as published.
(Continued in next column.)

BOB MINOR 'ALL THE WAY.

(Continued from previous column.)

Ringing Bob Minor all the way has its compensations when it is the means of giving others a 'lift.' At Shelsley Beauchamp on Saturday, May 14th, two of the Hartlebury ringers, A. W. Glazzard and W. H. Turner, jun., rang their first peal of Minor at the first attempt, and, judging by the way they acquitted hemselves, it will not be long before they take another 'step up the ladder.'

Shelsley Beauchamp is a village outside active ringing circles in Worcestershire, and possesses a newly-formed 'stoney' band. If wishes count for anything they will soon be members of the association, and their desire to learn 'method' ringing will then be catered for by the facilities offered. Visiting such outlying places gives ringers a change of scenery, and is often the means whereby a little missionary work is done.

Mr. R. J. Houghton has now 'circled' Tempsford tower (Bedfordshire) in peals of Minor.

Mr. George Creasey has just rung his first peal of Royal, and thus completed peals of Plain Bob from Doubles to Maximus. This last peal, rung at St. Mary's, Nottingham, on May 14th, was the first peal of Royal on the bells since they were recast and rehung by Messrs. Gillett and Johnston. The tenor is 37 cwt.

The fiftieth peal on the bells at Eastwood, Yorks, was also the quickest. It was a 5,152 of Little Bob Major and was rung in 2 hours 46 minutes on May 16th. It was a birthday compliment to Mrs. J. E. Turley, whose husband took part in the peal.

Mr. Robert Edwards, of Tenterden, Kent, celebrated the fiftieth anniversary of his first peal by taking part in a peal of Stedman Triples in his own tower on May 16th. The peal was also a birthday compliment to the grandson of Mr. H. S. Humphrey.

Mr. Thomas Williams, of Brierley Hill, Staffs, rang his first peal of Stedman on May 19th in celebration of his silver wedding. The peal was rung by the Worcestershire Association at his own church.

A peal of Stedman Cinques at St. Martin's, Birmingham, on May 17th, was a birthday compliment to Mr. D. T. Matkin. Mr. Bill Thomas, of Bris

The royal visit to Lancashire last week was marked by the ringing of church bells in many places. At Halewood a peal of Stedman Triples was rung on the Thursday. Mr. J. W. Gardner, who rang the 2nd, has now circled this tower in peals.

VETERAN YORKSHIRE RINGER'S DEATH.

MEMBER OF FORMER PRIZE RINGING BAND.

A well-known personality of former prize ringing contests has passed away in the person of Mr. Sam Hemingfield, of Ecclesfield, Yorkshire.

His father being a ringer, it was only natural that Sam should follow him, which he did, both as ringer and as host of the White Bear Inn, in front of which the feast, or fair, used to be held in the village square.

Sam also took part in various sports, amongst them the annual football match between Ecclesfield and Pitsmoor, the respective goals being the tollbars at Ecclesfield Common and Pitsmoor—a distance of about three miles. In those days the traffic question had not appeared and there was plenty of 'rough and tumble' in the game.

Mr. Hemingfield joined the Yorkshire Association in 1885 and was a 'starred' life member. Though only taking part in four peals, he was a member of the Ecclesfield company that took part in many contests in those early days, when it took two and three days to attend a competition. Of a genial disposition, he could relate many amusing anecdotes about ringing, etc.

amusing anecdores about ringing, etc.

Unfortunately, he was stricken with partial blindness about 20 years ago, and this gradually increased until total blindness ensued, but under this terrible affliction he was patient, resigned and uncomplaining. The end came to a long life at the age of 87.

The interment took place on Saturday, May 14th, and was attended by numerous relatives and friends and there were many floral tributes.

A 720 of Oxford Treble Bob was rung in the tower with muffled bells by the following of his colleagues: D. Greaves 1, Gordon Wild 2, Oliver Coward (conductor) 3, W. Kitson 4, J. Myers 5, J. Greaves 6.

A course of Grandsire Triples on handbells by the graveside was rung by Yorkshire Association members as a last token of respect.

CHIDDINGFOLD VETERAN'S BIRTHDAY.

On Monday, May 9th, a quarter-peal of Grandsre Triples was rung at Chiddingfold, Surrey, for the 80th birthday of Mr. Thomas Attwell: A. E. Brown (first quarter-peal) 1, M. Smither 2, G. Wootton 3, G. Arrowsmith (first 'inside') 4, ex-P.S. F. C. Hagley 5, H. Mullard 6, A. J. Bartlett (conductor) 7, E. Worsdell (first quarter-peal) 8.

Mr. Attwell, although now unable to hear well enough to ring, never misses a practice despite the rather high stone steps and somewhat difficult climb to the tower.

The ringers drank 'the health of Mr. and Mrs. Attwell' at their home after the ringing, and, of course, wished the veteran many 'happy returns of the day.'

BELFRY GOSSIP.

We are glad to say that Mr. Albert Walker is making excellent recovery from his illness and has been able to join in service ringing at St. Martin's Church, Birmingham. After having demonstrated that he could ring Stedman Cinques, he was 'duly elected' a member of St. Martin's Guild—not for the first time.

'Special ringing, £1 10s. Ale for ringers, 9s.' That is not an extract from some ancient churchwarden's accounts, but an extract from a balance sheet for the year 1937, hanging in a church porch in the Midlands. There are only three bells at this church, but, perhaps, there was more than one ringing occasion.

there was more than one ringing occasion.

The quarterly meeting of the Winchester District of the Winchester and Portsmouth Diocesan Guild, which was to have been held on June 11th at Ropley, has been postponed to June 25th, owing to the absence from home of the Vicar.

A NEW 'STEDMAN.'

A NEW 'STEDMAN.'

In a few days a new 'Stedman' will be on sale in the popular Snowdon series. The original work, published in 1903, served a great purpose, but it was rather 'heavy going' for the ordinary ringer. Mr. J. A. Trollope has entirely rewritten the book, but his fluency of style and his gift of simple explanation have enabled him to reduce the size (in number of words) to about half that of the first edition. Readers will find that nothing material has been sacrificed for the saving of space—indeed, as a work of practical value, the reduction is more than justified by its clarity.

It covers all the ground from instruction for ringing and conducting the method on five bells and upwards to an explanation of the proof and composition. Numerous touches and peals are given, and Jasper Snowdon's history of the method has been edited and brought up to date.

The new book will be on sale on June 1st and may be obtained, post free, for 2s. 10d., from Miss M. E. Snowdon, Cartmel, Lancs.

THE MEMORIAL TO THE LATE MR. J. J. PARKER.

To the Editor.

Dear Sir,—The proposed memorial to the late Mr. Joseph J. Parker is progressing. The eight bells of St. Mary's, Farnham Royal, are to be retuned, the frame strengthened and ball bearings fitted throughout. The peal of eight were completed at the Diamond Jubilee in 1893, when Mr. Parker himself was almost entirely responsible for hanging the two extra bells.

The estimated cost of the memorial is £217, but since that estimate a crack has been located in the fourth bell, which entails an extra cost

of about £21 for recasting.

Up to date the amount subscribed towards the memorial is about half the required sum. This has been raised almost entirely by local subscriptions and the Easter offering, which was kindly given to us.

The local branch of the Diocesan Guild have voted a substantial sum towards the moneicle and those is a further recommendation to the

General Fund.

But we need help from other guilds and associations, and from all the individual bellringers who knew Mr. Parker or appreciate the work he did. If all those who had rung in a peal composed by J. J. Parker (Oxford Bob Triples or Parker's twelve-part Grandsire Triples) would contribute one or two shillings, the money would be raised, and at the same time make the memorial a truly 'national' memorial, which we are so anxious to do.

I have already received a generous donation from the Scottish Association, which shows that Parker's name was not confined to England. I would like to thank the members of that association for their support.

I hope no bellringer or society of bellringers throughout the country will miss this opportunity of expressing their appreciation of that tremendous work the late Mr. J. J. Parker has done. If we never show our appreciation, the bond of unity and friendship will weaken, but if for a friend we make some sacrifice, the bond will be strengthened and will last for ever.

Donations towards the memorial may be sent to A. D. Barker (hon. treasurer, Oxford Diocesan Guild), 'Cambridge,' Wexham, Slough, Bucks, or to

THE MIDDLESEX ASSOCIATION ANNUAL MEETING.

The MIDDLESEX ASSOCIATION ANNUAL MEETING.

To the Editor.

Sir,—I was sorry to see that, in reporting the annual meeting of the Middlesex County Association and London Diocesan Guild, you omitted to mention my suggestion that in arranging next year's annual meeting an endeavour should be made to hold at least the service in St. Paul's Cathedral. The suggestion was made in all sincerity and in view of the fact that some of us churchmen in London do feel a sense of loyalty to the great diocese to which we belong. This is also the chief reason for the affiliation of the belfry in which I ring to the recognised Diocesan Guild. I should be glad, therefore, if you would publish this brief letter so that those members who were absent from the meeting may know the feelings of those present, who seemed to be in favour of the proposal.

LEADING CONDUCTORS-20.

EDITH K. FLETCHER.

Foremost among the lady members of the Exercise is Mrs. Edith Foremost among the lady members of the Exercise is Mrs. Edith Kate Fletcher, who combines with her extraordinary skill as a ringer remarkable ability as a conductor. In this latter capacity particularly she is outstanding among her sex. Ringing, with her, is an hereditary gift. Born at Crawley, Sussex, on November 12th, 1891, she is the daughter of Mr. James Parker, at that time conductor of the famous Crawley band. Mr. Parker was unable to induce either of his sons to take up the art, but he found an apt pupil in his daughter, and, in some directions, as he will be the first to admit, she has easily outstripped her parent. stripped her parent.

Mrs. Fletcher was taught to ring at Edmonton in 1908—at a time when ladies were only just beginning to take an interest in the art, and her first peal was one of Superlative Surprise Major on May 1st, 1909, while a year later, on June 11th, 1910, she conducted her first peal—Stedman Triples from a

non-observation bell. Shortly afterwards she called Superlaatterwards sne called Superlative Surprise Major and London Surprise Major, the former at her old home, Crawley, where her father had done so much in pioneering Surprise

Before the war, Edith K. Parker, as she then was, had Parker, as she then was, had conducted 46 peals, including in 1912 her first peal 'in hand,' when she rang 5-6 to Grandsire Triples, and the first peal by a band of eight ladies, rung at Cubitt Town, London, also in 1912. It was this achievement that led to the formation of the Ladies' Guild later in the same year, and Miss Parker was the obvious choice for the post of secretary, an office which she recretary, an office which she has filled with unflagging zeal and, if possible, growing en-thusiasm ever since.

Cambridge and Superlative Surprise Major While for the Ladies' Guild she has called the first peals of Stedman Triples, Stedman Caters, Cambridge and Superlative Surprise Major and Double Norwich Court Bob Major. Among her other achievements have been to ring Lincoln Cathedral tenor (24 cwt.) to a peal of Stedman Cinques, and the 30 cwt. tenor at Wedmore, Somerset, to a peal of Stedman Triples.

A peal of Stedman Triples.

Her services to ringing in other directions have been extensive. She has been a member of the Central Council as the representative of the Ladies' Guild since 1915, and has served on a number of committees. She is convener of the Analysis and Records Committee, whose task goes on week by week throughout the year, and in connection with this committee's work she is typing the details of all the early compositions. As a member of the Peals Collection Committee it has been her labour that has enabled typed volumes of all the compositions of Treble Bob to be placed in the Council's library, while since her husband, Mr. George W. Fletcher, has been hon. secretary of the Council, she has been the unofficial, but highly efficient, assistant secretary. The work which Mrs. Fletcher is doing behind the scenes for the Exercise is as prodigious as it is valuable.

Next week: Mr. Robert Matthews.

DIFFICULTIES OF BEGINNERS.

To the Editor.

Sir,—Will you kindly allow me a little of your valuable space to ask a question? I have been a ringer for just over eight months now, but have great difficulty in picking up 'rope-sight.'

We have a very fine ring of eight here, tenor 20 cwt., which we are endeavouring to keep going for all services. We are a band of learners with only the one instructor. I may say in appreciation of him that we could not wish for a better, but, owing to the fact that we have unavoidably had to start on Triples the 'rope-sight' seems a thing of the far distant future. I feel sure that there must be many other beginners in the same position as myself. Is there anything that you can do for us in the way of help?

'SYNTHETIC' BELLS.

RESOLUTIONS FOR THE CENTRAL COUNCIL. To the Editor.

Dear Sir,—In reference to Mr. Frampton's letter, it may be of interest that I have sent the accompanying resolutions to be added to the report to the Central Council of the Towers and Belfries Com-

RESOLUTIONS.

1. The ringing of church bells before divine service has never been considered a mere mechanical device, similar or in addition to a clock. It is an act of worship by a certain number of churchworkers, solemnly preparatory to further worship, and proportionate in value to the number of workers and to the care employed. It may be compared to the voluntary on the organ, and more than the latter requires thorough practice at least once a week.

2. Records of change ringing are useful for instruction or for broadcasting. But as they do not fulfil any of the conditions of personal ringing, they ought not to be used to commence a service of divine worship. Furthermore they publish to the world a pretence that eight men or more are in that church making an act of worship. Also they lend themselves to tricks, which to those who know something of ringing (and they are many) sound absurdly impossible. To prevent a church making itself ridiculous, records should only be manipulated by a skilled ringer. But if a man is really skilful enough to know what is possible, he will be wanting to ring a real bell elsewhere.

3. These objections do not apply to records of carillon music. Moreover, a musician sufficiently experienced to handle such records satisfactorily can often be found. Therefore, when permission is given for instruments using records to be installed, it should be stipulated that records of change ringing should never be heard from a church.

4. The above shall be sent to every diocesan bishop, archdeacon and chancellor.

THE CANON ELSEE MEMORIAL.

The quarterly meeting of the Manchester Branch of the Lancashire Association was held at Stretford on Saturday, May 21st. Service was conducted by the Rev. Canon Horrocks, assisted by the Rev. F. Bonner. Memories were awakened of the dedication of St. Matthew's bells when the ringers had in their midst the late Canon Elsee, and the members recalled his untiring devotion to the Lancashire Association.

At the tea and business meeting the chair was taken by the Rev. F. Bonner, who welcomed the ringers to Stretford.

Mr. F. Reynolds was elected as branch president, and the chairman made reference to the appeal for the late Canon Elsee's memorial. He said he was pleased to note the way in which other associations and guilds had responded. As the closing date was very close at hand, it would be most unfortunate if anyone found that they had overlooked the opportunity of playing their part. It was their privilege and they owed it to the memory of their late president.

Votes of thanks were passed to Canon Horrocks, the organist and local ringers, to the chairman, who responded on behalf of all

concerned.

About 30 members kept the bells going to Cambridge, Double Norwich and all standard methods until 9.50 p.m.

WARWICKSHIRE VETERANS

DEATHS OF TWO FORMER CHILVERS COTON RINGERS.

We regret to record the death of Mr. Henry Reader, a former churchwarden, of Chilvers Coton, who was also head ringer for a number of years, and was among those instrumental in augmenting the bells from three to eight in 1908. He was 85 years of age and had taken no active part in ringing for a number of years. During the war period he taught a band of ladies to ring, the only active member now left being Mrs. D. E. Beamish, hon. secretary of the Warwickshire

The bells were rung half-muffled on the Sunday following the interment. Included in the touches was 1,008 Grandsire Triples for evening service. Prior to raising the bells, the band stood in silence for a few moments.

The death of Mr. 'Ted' Moreton occurred last week after a long and painful illness. He was associated with Mr. Reader in the early struggles to raise a band at Coton. His son, Mr. J. E. The ringers stood for a few moments in silence before raising the bells, which were again half-muffled, and as a last token of respect a quarter-peal of Grandsire Triples was rung for evening service by E. A JOINT MEETING BY THAMES-SIDE.

MIDDLESEX AND LONDON COUNTY ASSOCIATIONS AT CHISWICK.

A pleasant and successful joint meeting of the South and West District of the Middlesex County Association and the Southern District

District of the Middlesex County Association and the Southern District of the London County Association was held at St. Nicholas' Church, Chiswick, on Saturday, May 21st. This beautiful church, by the side of the Thames, close to the famous Chiswick Mall with its associations with Thackeray and Vanity Fair, and the burial place of Hogarth and other famous people, made an ideal setting for a meeting on a beautiful May afternoon, and proved a great attraction.

About 40 members and friends were present from Barnes, Battersea (St. Mary's), Bishopsgate (St. Botolph's), Chelsea (St. Luke's), Chiswick, Duffield, Derby, Ealing (Christ Church, St. Mary's and St. Stephen's), Egham, Erdington, Birmingham, Fulmer, Heston, Hillingdon (St. John's), Hollingbourne, Isleworth, Kensington (St. Mary Abbott's), Kingston-on-Thames, Putney, Ruislip, Uxbridge, Westminster (St. Stephen's) and Twickenham. Methods rung ranged from Grandsire and Stedman Triples to Cambridge and Superlative Surprise, some good touches being brought round under the supervision of Mr. J. Herbert, Ringing Master. J. Herbert, Ringing Master.

A short service was held in the church, conducted by the Vicar (the Rev. E. R. Rich, M.A.), who gave an address of welcome to those present, and commented upon the improvement in the ringing and attendances at his own church, which gave him much satisfaction.

Tea was held in the Church Hall, presided over by the Vicar, supported by the vice-president (Mr. J. A. Trollope). There was no official business meeting, but during the proceedings the Vicar, who had been handed a report, upon which he made favourable comment, mentioned that he would like to give his support to the association by becoming an honorary member and was duly elected with acclamation.

becoming an honorary member, and was duly elected with acclamation. Some correspondence was read by the secretary, who also announced that the next meeting was fixed for Sunbury-on-Thames on June 25th. A vote of sympathy with Mr. J. S. Goldsmith in his sad bereavement was passed, those present standing in silence.

A welcome to the London County Association was expressed by Mr.

The usual votes of thanks to the Vicar, the local company and the ladies who had provided tea, were passed with acclamation.

Handbell ringing followed the tea, and afterwards further ringing took place at the church until 8 p.m.

LEEDS AND DISTRICT SOCIETY.

CHANGE OF PRESIDENT.

Leeds and District Amalgamated Society entered upon its jubilee year on April 30th, when the 49th annual general meeting was held at Leeds Parish Church. The start of ringing was delayed owing to the funeral of Dr. Maxwell Telling, a prominent citizen of Leeds, and time for ringing was further curtailed because of a special meeting in

the Church Rooms.

The business meeting was held in the tower at 8 p.m. after ringing had ceased. The retiring president (Mr. W. H. Senior) occupied the chair, and members were present from Armley, Batley, Bradford Cathedral, Burley, Birstall, Bramley, Drighlington, Guiseley, Headingley (St. Chad's and St. Michael's), Hemingbrough, Holbeck, Idle, Pudsey, Rothwell, Sherburn, Selby, Shipley, Elland, Hunslet and the local company. local company

A vote of thanks to the Vicar, churchwardens and the local company was proposed by Mr. W. Barton, seconded by Mr. H. Jones and acknowledged by Mr. H. Smith.

The balance sheet showed a net total of £20 14s. 6d. carried forward.

The report of the hon, secretary (Mr. H. Lofthouse) gave the membership as 249. Eleven ringing meetings had been held during the year and all were fairly well attended. The secretary, adapting the words of one of Yorkshire's and England's cricketers, added, 'It is harder to keep on top than it is to get on top, and as our society is

We are now approaching our 50th birthday, and it is our earnest desire that we make this year a year to be remembered.'

Mr. Senior, in proposing that the balance sheet and report be accepted, said the details pointing to the excellent state of their society were due to the work of the secretary during the past 14 years. Considering the small area covered by the society and that the subscription is only 6d, per member, the results showed very efficient management. Their thanks were due to the secretary for his work.—This was seconded by Mr. F. Rayment and agreed to.

On the proposal of Mr. H. Barton, and seconded by Mr. Helliwell, the following officers were elected: President, the Rev. J. H. B. Andrews, M.A.: three vice-presidents, Messrs. W. H. Senior, T. W. Strangeway and S. Barron: Ringing Master, Mr. L. Drake; secretary and treasurer, Mr. H. Lofthouse.

Mr. F. Rayment proposed a vote of thanks to the retiring president and other officers, and spoke of the good work and regular attendance at meetings of Mr. Senior during the past eight years.—Mr. Barton seconded.

Methods rung during the day were Bob Major and Royal, Stedman rinles and Caters, Grandsire Caters, Double Norwich Court Bob Triples and Caters, Grandsire Caters, Double Norwich Major, Kent Treble Bob Major and Superlative Surprise.

LINCOLN DIOCESAN GUILD.

A SPLENDID RECORD.

The annual meeting of the Lincoln Diocesan Guild was held at Lincoln on 'Fair Saturday,' April 30th, when the twelve bells of the Cathedral and the two six-bell towers of St. Peter-at-Gowts' and St. Botolph's were open for ringing during the afternoon and evening. A special service was held in the Morning Chapel of the Cathedral, conducted by the Sub-Dean (Canon H. Larken). Close on a hundred members and friends gathered at the Co-operative Hall for tea, after which the business meeting was held, the Dean of Lincoln being in

The officers were all re-elected, namely, the Very Rev. R. A. Mitchell (Dean of Lincoln), president; Mr. Rupert Richardson, Master; Mr. F. W. Stokes, hon. secretary and treasurer.

F. W. Stokes, hon. secretary and treasurer.

The report and balance sheet were unanimously adopted. Commenting on the report, the Master congratulated the Guild on their splendid record for the year 1937. Although slightly fewer peals had been rung than in the previous year (105 as against 115), he thought that the quality of the performances had been more than maintained. No less than 14 peals of Surprise Major had been rung, including four of London, one of Bristol, one of Superlative, four of Cambridge, one each of Yorkshire, Lincolnshire and Norfolk, and one of spliced London, Bristol, Superlative and Cambridge. The four last named were the first in each case by the Guild. Other new Major methods rung were Wymondham Bob and Spliced St. Clement's and Crayford Bob. During the year the spliced Minor record had been lost to the Chester Diocesan Guild, who rang a peal in 74 methods, but the record was Direcesan Guild, who rang a peal in 74 methods, but the record was regained in December by the Eastern Branch with a peal in no less than 80 methods. Seventeen ringers rang their first peal.

Mention was made by the chairman of the illness of Archdeacon Parry, president of the Northern Branch, and the secretary was asked

to convey to him the sympathy of the meeting, with all good wishes

for a complete recovery.

After tea the towers were again visited, the Cathedral belfry in particular being 'full up' until the bells were finally set up at nine o'clock.

GUILDFORD DIOCESAN GUILD.

THE 'NOISE' PROBLEM AT ASHTEAD.

A good meeting was enjoyed at Ashtead on Saturday, May 7th, when nearly 40, including the Master, hon. secretary and the hon-treasurer of the Guild, with other visitors from Chertsey, Guildford, Haslemere and different parts of London, and members from six district towers, assembled at what was once a favourite 'peal tower' But times changed and complaints from new residents near the church made the bells difficult to get, until just recently, when the louvies were boarded up. This proved too effective, and complaints were then received from the older inhabitants that they could not hear the

bells ringing. Now the boarding has been made adjustable, and it is hoped that everybody's wishes will be met.

The Rector (the Rev. E. J. Austin) conducted the Guild's service and gave a short talk, in which he welcomed the ringers to Ashtead, saying how he loved to hear the bells, and hoped the meeting would be the saying how he loved to hear the bells, and hoped the meeting would be the saying how he loved to hear the bells, and hoped the meeting would be the saying how he loved to hear the bells, and hoped the meeting would be the saying how he loved to hear the bells, and hoped the meeting would be the saying how he loved to hear the bells, and hoped the meeting would be the saying how he loved to hear the bells, and hoped the meeting would be the saying how he loved to hear the bells, and hoped the meeting would be the saying how he loved to hear the bells, and hoped the meeting would be the saying hoped the saying how he loved to hear the bells, and hoped the meeting would be the saying how he loved to hear the bells, and hoped the meeting would be the saying how he loved to hear the bells, and hoped the meeting would be the saying how he loved to hear the bells, and hoped the meeting would be the saying how he loved to hear the bells, and hoped the meeting would be the saying how he loved to hear the bells, and hoped the meeting would be the saying how he had been saying how he loved to hear the bells, and hoped the meeting would be the saying how he had been saying hear had been saying how he had been saying hear had been saying hear had been saying hear had been saying hea

Tea was served at the Brewery Inn, where Miss Sayers, of an old ringing family, amply catered for the excess of notifications.

For the short business meeting the chair was taken by the Master (Major J. H. B. Hesse). A suggestion by Mr. James, that a printed circular would be of help in approaching likely honorary members, met with approval, and it was left to the officers to draft a suitable one

Apart from that there was no other important business, and the proceedings closed with a hearty vote of thanks to all who had helped to make a successful meeting, the Rector, the organist and Mr. G. Cook, who made the arrangements.

Ringing then continued until 9 o'clock, the methods ranging from Grandsire Triples to Bristol Surprise Major.

CHESTER DIOCESAN GUILD.

STOCKPORT BRANCH AT MOSSLEY.

A meeting of the Stockport Branch of the Chester Diocesan Guild was held at St. George's Church, Mossley, on April 30th. The bells were busily employed from early in the afternoon. Service was conducted by the Vicar (the Rev. J. F. Southworth), who also gave a striking address, basing his remarks on the quotation, 'A threefold cord is not easily broken.' If, he said, we were to base our lives on the three commandments of Jesus Christ, viz., to love God, to love our neighbour, and to love our enemies, we would find that this threefold cord of religion would not easily be broken.

After service some time was spent examining the church, which is

The business was mostly of a routine nature and was quickly disposed of, and the meeting closed with hearty votes of thanks to the Vicar, the local ringers, the ladies who prepared tea, the organist and all who had in any way assisted in making the meeting a success.—The Vicar and Mr. Garside suitably responded, and the members then adjourned to the tower for further ringing.

MASTER INTERPRETS M.B.W.H.

The East Berks and South Bucks Branch annual meeting was held at Slough, but some of the usual faces were absent owing to other attractions (wedding peals). Methods to suit all were rung, including

attractions (wedding peals). Methods to suit all were rung, including the 'big four'—Superlative, Cambridge, London and Bristol.

The Deputy Master of the Guild (the Rev. C. E. Wigg) conducted the service, and the address was given by another ringer, the Rector of Beaconsfield, the Rev. R. F. R. Routh.

After tea it was discovered that the bill was settled, by 'someone.' It is remarkable in this branch how these bills are a law unto themselves. In the absence of the chairman, Sir Charles A. Bennett, the position was occupied by Mr. W. H. Fussell, vice-chairman. Several new members were elected, including one of the N.U.T.S.

Several new members were elected, including one of the N.U.T.S. (and he paid his 'sub.').

All the officers were re-elected, an especial vote being passed to re-elect the chairman, who wished to resign because he thought that he was 'not so useful now.'

A sum of seven guineas was voted towards the restoration of Farnan Royal hells, with the hope that every towar in the branch would

A sum of seven guineas was voted towards the restoration of Farnham Royal bells, with the hope that every tower in the branch would contribute something.

Canon Coleridge, the Rev. C. E. Wigg and Mr. R. T. Hibbert all contributed towards the business. The Master, having noted certain mystic letters (M.B.W.H.) on the back of the branch secretary's report, translated them as 'Master be welcome here,' but, on noticing the time, thought of 'Master be walking home,' and straightway 'made tracks' for his taxi, followed by Tom, who was anxious to catch the same train same train.

Votes of thanks concluded a lengthy meeting, and, while some stayed to ring again at Slough, the majority made for Stoke Poges, where one touch came to grief through a bat in the belfry (a real one) enjoying itself dodging amongst the ropes until the light was put out to show

him the door. (He went.)

The secretary was also concerned with another not too welcome visitor, but, like the bat, he was disposed of. What secretaries have to put up with might be published by the Secretaries' Association. Grav's Elegy was written in Stoke Poges Churchyard; here is a modernised version of the first stanza :-

The curfew tolls the hour of nine p.m., The Lizzies (tin) fly swiftly o'er the lea, The cyclists homeward potter after them, And leave the bells and bats to A. D. B.'

LANCASHIRE ASSOCIATION AT SOUTHPORT.

The half-yearly meeting of the Lancashire Association was held at Southport on Saturday, May 7th. The bells at Christ Church were raised shortly after 2 p.m. and kept going by different bands until 4.30 p.m., when a special service, with an address of welcome, was conducted by the Vicar (the Rev. L. G. Brewster). Tea was afterwards taken in the Schools at the invitation of the churchwardens, and about 70 sat down. After tea the Vicar again welcomed the timers and friends and hoped there would be no speech-making. He

The example by being brief.

Mr. G. R. Newton expressed the thanks of all present for the way in which the visitors had been treated, then, as there was no business to learn a pull there, leaving the Parish Church short-handed. There was however, no complaints, as Emmanuel bells, being in a residential did tict, are hard to get, and all, therefore, wanted to ring there. Church went to look for the sea, but the sea had gone to look for the the of Man, and was only coming back when the trains were calling the of Man, and was only coming hack when the trains were calling the disitors home, 'stronger and more fit to render their service on the morrow, after their short service together,' as the Vicar said in his address.

NEW BELLS WELL 'SAMPLED.'

A FINE SOMERSET EIGHT.

A FINE SOMERSET EIGHT.

The bells at Banwell, Somerset, which were recently augmented to seem and rehung in a new frame, were well 'sampled' on May 7th at the quarterly meeting of the Axbridge Deanery Branch of the Bath and Wells Diocesan Association, there being upwards of 60 ringers present, including some from Bristol, Bath and Birmingham. Mr. T. Dyke (general secretary of the association) and Mr. G. Taylor (ben, auditor) also joined the company. Service was conducted by the Rev. Powys David, the president of the branch, in the absence of the Vicar of Banwell (the Rev. Amos), who, unfortunately, was ill.

Later the tea and business meeting were held in the Old Schoolroom, the president being in the chair.

The hon, secretary (Mr. H. Minifie) announced that Shipham and Rowberrow towers wished to become members of, and affiliated to, the association, whilst Bleadon tower and members desired to be re-elected. In addition several members were admitted from Banwell and Westonsuner-Mare.

super-Mare.

It was decided that the next quarterly meeting should be held at Wedwore, Somerset, on July 30th.

Subsequently ringing was continued, the methods indulged in being mostly Cambridge, Grandsire Triples and Stedman. Banwell is fortunate in now possessing one of the finest peals in the county, and this meeting was one of the most successful ever held in the Deanery.

LINCOLN'S ANCIENT GUILD.

CLAIM TO BE THE OLDEST RINGING ASSOCIATION.

CLAIM TO BE THE OLDEST RINGING ASSOCIATION.

At a meeting of the Company of Ringers of Lincoln Cathedral on May 5th, the ancient origin of the society was discussed. The Dean (the Very Rev. R. A. Mitchell) congratulated the Master Ringer, Mr. J. Freeman, on entering upon his 25th year as a member of the company, and observed that the company had been in existence for 325 years. He had reason to believe that it was now the oldest association of its kind in the country. Ordinances of 'the Company of Ringers of the St. Hugh Bells in the Cathedral Church of the Blessed Virgin Mary of Lincoln,' still preserved in the muniment room of the Cathedral, were first made in the year 1612, and two years later, on September 23rd, 1614, these ordinances were confirmed and sealed by letter-patent of the Dean and Chapter. On the east wall of the Ringers' Chapel some names of the early Masters of the Company were inscribed, and the first was that of Robert Sandie, Master 1614.

'It would be interesting to know whether any other company of ringers can trace their records behind that date,' said the Dean.

MIDDLESEX COUNTY ASSOCIATION.

CHANGE IN NORTH AND EAST DISTRICT SECRETARYSHIP.

CHANGE IN NORTH AND EAST DISTRICT SECRETARYSHIP.

A well-attended meeting of the North and East District of the Middlesex County Association and London Diocesan Guild took place on Saturday, May 14th, at Monken Hadley. Ringing commenced at 3 p.m., and continued, with the exception of the interval for service, tea and business meeting, under the supervision of the District Master, Mr. T. J. Lock, up to 9 p.m.

The Chairman (Mr. G. W. Fletcher), in opening the business meeting, remarked that the members would have noticed that there was a change, and he voiced the feeling of the meeting by remarking that it would not be possible to let the occasion pass without reference being made to the work that had been done for the district by the retiring hon. secretary, Mr. C. T. Coles, who had been, as they all knew, elected to the position of hon. secretary to the association, a position created under the new rules. The matter had been mentioned before, but he was sure that all present would again like to give expression to the gratitude they felt for the untiring efforts that Mr. Coles had put in for the welfare of the association during the years since taking up the work of district hon. secretary. Continuing, Mr. Fletcher said he felt sure that all present would like to give a welcome to the new secretary, Mr. G. R. Goodship, on taking up the work which naturally fell to him, having been assistant hon. secretary for several years, and to which position they had duly elected him.

These remarks of the chairman were approved with acclamation.

Mr. Coles, in replying, said that he had been hon secretary for the

These remarks of the chairman were approved with acclamation.

Mr. Coles, in replying, said that he had been hon secretary for the past 28 years, having taken up the office in 1910. He had had many weary and anxious moments during that time, but through the help and support he had received from the members, things had smoothed themselves out to the benefit and success of the association. He had taken up the work before quite a number of those present were born, and the future of the association was in their hands. He had always found that it was not what you got out of the association that counted, but what you put into it that gave satisfaction and pleasure, and it was impossible to take out more than was put in. He hoped that they would continue to give their loyal support and encourage-

ment to the new secretary.

Mr. Goodship said he hoped that he would receive support and consideration from the members, and that Mr. Coles would have the satisfaction of seeing the district continue to flourish and expand. It was arranged for the next meeting to be held on June 11th at

There being no other business, the Chairman moved a hearty vote of thanks to the Rev. G. Richardson for conducting the service and for the use of the bells, to the organist, Miss Chambers, and to Mr. Arbin for having everything in readiness.

At the conclusion of the meeting handbells were brought into use

after which the tower was again occupied.

During the afternoon the ability of all those who attended was considered, the bells being rung in rounds and in methods up to Spliced Surprise, with special facilities for the practice of Double Norwich.

BEDFORDSHIRE RINGER'S DEATH.

BEDFORDSHIRE RINGER'S DEATH.

MR. NOEL WILES, OF KEMPSTON.

The death occurred early on Saturday, April 30th, of Mr. Emmanuel Noel Wiles, of Kempston, Bedfordshire, at the age of 54 years.

For many years Mr. Wiles was a valued and highly respected member of the Bedfordshire Association, and was, until recently, always regular in Sunday service ringing at All Saints' Church, Kempston, where he learned to ring. Being caretaker at the cemetery, he could not often attend the meetings or stand in a peal, but whenever possible he did his best for the welfare of ringing in the county and was especially good with learners.

It was with very real regret that his colleagues learned the news of his death at this comparatively early age, and he will be sadly missed.

The funeral took place in Kempston Cemetery on Tuesday afternoon (May 2nd), and was attended by many of his fellow-ringers of Kempston and Mr. Frank C. Tysoe (hon. secretary, Bedford District), Mr. H. L. Harlow, Mr. D. C. Bonnett and others. The bells of the Parish Church were rung half-muffled in the evening.

DEATH OF MRS. E. L. GOLDSMITH.

MANY RINGING FRIENDS GATHER AT FUNERAL.

After a long illness, courageously borne, the death took place on May 18th of Mrs. Emma Louise Goldsmith, wife of Mr. J. S. Goldsmith, editor of 'The Ringing World,' at their residence, Southover Cottage, Pyrford, Surrey.

In addition to the widower, a son and daughter are left in bereavement

Although not herself a ringer, Mrs. Goldsmith was known to many ringers, for before the insidious disease from which she suffered completely incapacitated her, she had travelled the country widely and attended many meetings and other functions with her husband. She was an honorary member of the Ladies' Guild and of the Guildford Disease, Guild and of the Guildford was an honorary member of the Ladies' Guild and of the Guildford Diocesan Guild, and her death causes a break in an interesting circle. In 1928 a party of ringers, all of whom had celebrated their silver wedding that year, was got together for a peal in joint celebration of the auspicious occasion, and this was rung at Ewell. Five years later the same eight ringers, who included, in one case, husband and wife, met again at Woking and rang a peal in celebration of their 30 years of married life. This year it had been hoped it would be possible to have another similar gathering, but it has been otherwise ordained—the circle has been broken, only a few short months before the celebration could take place. the celebration could take place.

The funeral took place at Pyrford on Saturday afternoon, when the

little twelfth century church was filled with a congregation of friends from many places, come to pay a last tribute of respect. The service from many places, come to pay a last tribute of respect. The service was conducted by the Rev. Canon G. F. Coleridge, an old friend of Mrs. Goldsmith, assisted by the Vicar of Pyrford (the Rev. C. A. Hamilton). The service included the hymns, 'Now the labourer's task is o'er' and 'On the resurrection morning.'

In addition to the family mourners, there were present Mr. Rupert Richardson (Master of the Lincoln Diocesan Guild) and Mrs. Richardson Mr. Increase George, vice president St. Mourius Guild for the

In addition to the family mourners, there were present Mr. Rupent Richardson (Master of the Lincoln Diocesan Guild) and Mrs. Richardson, Mr. James George (vice-president, St. Martin's Guild for the Diocese of Birmingham), Mr. G. W. Fletcher (hon. secretary of the Central Council), Mr. J. S. Hawkins (London), Mr. F. E. Dawe (Woking), Mr. S. R. Roper (Croydon), and the following representatives of the Guildford Diocesan Guild: Mr. J. Corbett (hon. treasurer) and Mrs. Corbett, Mr. G. L. Grover (hon. secretary), Mr. and Mrs. A. C. Hazelden and Mr. and Mrs. A. H. Pulling (Guildford), Mr. and Mrs. A. Harman (Leatherhead), Mr. F. Nye and Mrs. Welton (Bagshot), Mr. W. Denyer and Mr. C. W. Denyer (hon. secretary, Farnham District) (Aldershot), Mr. J. Brackley, Mr. D. Cole and Mr. G. Cole (Woking), Mr. R. Whittington (Cranleigh), etc.

The many beautiful floral tributes included wreaths from Guildford Diocesan Guild; Farnham District of the Guildford Diocesan Guild; St. Martin's Guild for the Diocese of Birmingham; Major J. H. B. Hesse (Master of Guildford Diocesan Guild); Mr. A. Paddon Smith (Birmingham); Mr. and Mrs. A. A. Hughes (London); Mr. and Mrs. G. W. Fletcher (Enfield); Mr. G. Dent (Harlow); Mr. and Mrs. Tom White (Guildford); Mr. and Mrs. J. Parker (Edmonton); Mr. and Mrs. C. T. Coles (Walthamstow); Mrs. C. D. P. Davies (Tewkesbury); Mr. and Mrs. R. Harman (Leatherhead); Mr. and Mrs. A. H. Smith (Great Bookham); Miss I. L. Hastie; and many others.

Mr. J. S. Goldsmith and family tender their sincere thanks to all others.

Mr. J. S. Goldsmith and family tender their sincere thanks to all who have sent them expressions of sympathy in their bereavement, and they desire to convey their deep appreciation of the many floral tributes sent.

BECKENHAM CONDUCTOR'S DEATH.

THIRTY-FIVE YEARS STEEPLEKEEPER AT ST. GEORGE'S.

A well-known member of the Lewisham District of the Kent County A well-known member of the Lewisham District of the Kent County Association, Mr. F. Walter Smith, for 35 years steeplekeeper and conductor of St. George's Parish Church, Beckenham, passed away on May 13th after quite a short illness. Although he had been in indifferent health for some long time, Mr. Smith was in the belfry as recently as May 1st. He had been district representative on the Association Committee for many years, and held this position at the time of his death. The record of his peals is not available, but the local peal boards bear witness of his many successes as conductor. At the funeral on Thursday of last week the following towers were represented: Bromley. Bromley Common. Chislehurst. Lewisham.

At the funeral on Thursday of last week the following towers were represented: Bromley, Bromley Common, Chislehurst, Lewisham, Deptford (St. John's), St. Margaret's, Westminster, and Mr. Manse represented the London County Association.

The 'whole pull and stand,' together with a course of Grandsire Triples, was rung on the handbells at the graveside by T. Groombridge, sen., I. Emery, F. Groombridge and W. J. Rawlings. On the half-muffled tower bells, the 'whole pull and stand' for the deceased's age of 64 years was rung, whilst in the evening, after an unsuccessful peal attempt, a quarter-peal of Grandsire Caters was rung by W. J. Rawlings, P. A. Corby (conductor), J. Lyddiard, H. Hoskins, D. Sharp, F. Shorter, G. V. Murphy, G. Fogden, A. S. Richards and C. Onley.

DON'T SCRUB YOUR HANDS!

Cleanse and preserve your skin this simple way

To many people, the problem or getting the hands really clean without harming the skin is a serious one. Grease and grime, which become deeply ingrained into the pores of the skin, are extremely difficult to remove, and ordinary washing with soap or even scrubbing will fail to remove them completely. Housewives, particularly, who complain that their hands get ruined by the nature of their work, will find the preparation called DERMAFOAM a real "godsend." DERMAFOAM just smoothes away dirt and grease without effort. It gets right down into the pores and removes every particle of grime, leaving skin beautifully supple and healthy.

Men, too-when you've finished that dirty job on the car, DERMA-FOAM will quickly banish all grease and oil from your hands. It acts almost magically-working under and around the nails and into every minute crease, removing all trace of dirt in a flash.

Engineers, Painters, Car Mechanics, Printers — everyone — will welcome DERMAFOAM, the modern method of cleansing and protecting the hands.

'THE COLLEGE YOUTHS'

A History of the Society by J. ARMIGER TROLLOPE

'This is one of the very few books I have read which seem to me might, with advantage, have been considerably longer.'—The Dean of St. Paul's.

Dean of St. Paul's.

'Mr. Trollope has achieved more than his immediate purpose of writing a history of the Society of College Youths. So closely has the guild been identified with English change ringing that its history is to a very large extent an account of the ancient sport of ringing developed into an elaborate art. . . .

'Throughout his book Mr. Trollope takes his readers into a strange and fascinating world whose traditions so peculiarly English deserve far more popular attention than they usually receive.'—The Guardian.
